

# Employment Trends in The Market

**As the Great Reshuffle continues, LinkedIn's Workforce Confidence Index shows that the youngest professionals in the workforce are pushing hardest for personal growth in the right setting. Meanwhile, older generations do not have as much need for change.**

**All responses represented in the graphic are individuals who plan on or hope to quit their job in the next six months and start a new role or business.**

**21,367 professionals in the U.S. were surveyed from December 4, 2021 to January 28, 2022.**

**LinkedIn News February 26, 2022**
